## Additional Contributions

If a member wishes to make additional contributions after the initial transfer of assets into their member's account within the Brock Personal Pension Plan, the trustee will always require relevant source of wealth details (together with the pertinent supporting documentation) on how the funds were accumulated (e.g. inheritance, sale of property, divorce, employment bonus or remuneration).

Type of contribution:     Personal             Employer

Single contribution:    Currency:    GBP    USD    EUR            Amount: \_\_\_\_\_

Regular contribution:    Currency:    GBP    USD    EUR            Amount: \_\_\_\_\_

Frequency:                 Monthly             Quarterly             Annually

**Note:** Where contributions are not paid to your chosen investment provider directly, Sovereign will arrange onward investment of your funds on the 6th of each month (or the following working day). We therefore suggest any standing order arrangements are made for the 1st of each month, to allow time for funds to be received and any issues to be resolved should any arise.

If funds are not received before the 6th of the month, they would be sent for investment on the 6th of the following month.

If the amount or frequency of a regular contribution is changed, either by you or your employer, advance notice of the change is required by Sovereign. It is the member's responsibility to notify such a change. Operational delays in respect of investment processing may occur if advance notice is not given. Such delays and any consequent investment loss if adequate advance notice is not given is not the responsibility of the trustee.

Please advise how the above contribution has been accumulated: \_\_\_\_\_

Please advise what supporting material you have provided for the above contribution: \_\_\_\_\_

Any contributions that are received will be held in the trustee's account (non-interest bearing) and accumulated until such time an amount is reached that can be invested and transferred to your existing investment.

The trustee will not accept contributions until due diligence procedures have been completed and the trustee is in receipt of certified supporting documentation.
